BOARD OF EDUCATION.

Regular Monthly Meeting-Report of Superintendent Leath, the Auditing Committee, Secretary and Finance Committee-Etc.

The board of education met at eight o'clock st night, President Goodman in the chair. were read and adopted.

SUPERINTENDENT'S REPORT.

The following report was submitted by the

MEMPHIS, TENN., June 11, 1877.

TON-The total number of pupils in all the olic schools of Memphis in the month of May was 2825; namely, 108 for the high chool, 1893 for the white graded schools, and \$24 for the colored schools. This statement shows a loss of 201 white pupils and 165 olored since April. I am unable to state the number of pupils attending the schools at their close on the eighth instant, as several of the principals have failed to return their summaries for June. All the teachers are applicants for reappointment next year. I ave informed them that your rule, as per section 35, makes it unnecessary for them to file applications, as each would have done so. Many of the teachers request the use of a school-room to teach in during vacation. One, Miss Becktel, who resides on Court street, asks the use of a room in the Court street school building. She promises to re-turn it in good order. Respectfully sub-J. T. LEATH,

The section of the report relative to the equest of teachers was referred to the comlittee on buildings, with power to act. The auditing committee reported that the pay-roll was being made up to date, and i was estimated that the amount to date would be \$6016 35. Report received. The secretary reported that the amoun due by the board was \$6327 49. No regular

or final finance committee was made, be-cause the principal of the Linden street school had failed to make out the pay-roll of teachers. Mr. Dent moved that the auditing commit tee be authorized to audit the pay-rolls, etc., and that the same be paid by the finance committee. Adopted.

Mr. Folkes, in behalf of the finance committee, stated that he had an interview with the mayor, city attorney and tax-collector, relative to the tax withholding from the board the ten per cent. of the merchants tax. An agreed case had been made by the committee and the question submitted to an able

lawyer for adjudication.

President Goodman said that a member of the finance committee had informed him that that we mean what we say. We are selling: arrangements had been made by which to pay the teachers all amounts due them. The report of the treasurer shows that there are nine hundred and twenty-eight dollars and seventy-seven cents to the credit of the board in bank. The difference between the report of the treasurer and secretary is due to the fact that one shows the debt and the other the credit. The opinion of the attorneys, Messrs. Smith

for school purposes, was referred to the committee on school grounds, with power to act for the interest of the board. A note from Mr. Collier offering his services was read. The account of Messrs, Collier & Smith for fifty dollars, due for the opinion, was read.

Mr. Folkes moved that Collier & Smith be allowed \$50 for services rendered and to Mrs. E. A. Meriwether's application for room in the Court street building, to be used for instructing a class in elecution, was re-

The bill of expenses for the commencement exercises, amounting to \$85-85, was allowed. Adjourned.

DEATH IN THE WATER. Four Colored Men Attempt to Swim their Horses in a Lagoon-Two are Drowned-Particulars of the

Accident.

Satuday afternoon four colored men, who esided, in the Nonconnah bottom, near the Hernando road and Brooks's avenue, mounted horses and started to a neighboring grocery, to reach which, they had to cross the backwater from a bayou. Upon reaching deep, they determined to cross it. They plunged into the water, which was much deeper than they had believed it to be, and their animals had to swim. One of the men, syrups, mess pork, bacon, flour, canned goods of every variety, etc., which, being bought for cash exclusively, and selected with great care by an experienced buyer, can be and are and fifteen base hits, while the latter made | now offered at lower rates than heretofore. | himself from the brush Davis was dragge off. Owing to the confusion and splashing of water, the man was unable to extricate himself from the thick brush, and was rowned. One of his companions, Lace who was riding a met with the same fate. The mule being frightened, made an effort to wheel around, and the rider tightened the reins. This caused the mule to leap, and then to fall backward, burying Jackson in the water, where he immediately drowned. The other en succeeded in swimming their animals to the land, and were followed by the riderless orse and mule. The neighbors being notified of the drowning, repaired to the place and recovered the lifeless bodies of Jackson and Davis. Yesterday a large skiff named 'Panola Star,' was procured in this city and hauled in a wagon to the lagoon to carry street, across the son and relations of Jackson, who reside in this city. Since writing the above we learn that Lace Jackson vs. Lacey is the

negro who was indicted for marrying a white woman. The case is now in court. . THE COLORED MASONS.

Grand Parade by Mount Moriah Commandery, Knights Templar, and Subordinate Lodges - Installation of Officers and Adresses by Distinguished Members from Ohio.

Yesterday was a great day for the colored Knights Templar of Memphis, as it wit-nessed a parade, installation of officers and addresses by distinguished visitors of the order, besides an interesting entertainment given at the Exposition building by Mount Moriah commandery. Mount Morlah Commandery.
M. W. Grand Lodge of the State of Tennessee. THE APPEARANCE OF THE PROCESSION did credit to the commandery and lodges of remedies advertised as cures for consumption, which it was composed. The members and officers were in full regalia, and as the prodangerous drug in all cases, and if cession moved along the streets it attracted taken freely by consumptive patients, it must do great injury; for its tendency is to confine the morbid matter in the system, which, of who crowded the sidewalks and viewed the procession with eager delight. > were to take place. A large number of peo-ple had already made their way to the great ouilding, into which the procession marched with the band playing. The lodges and commandery were then seated in front of the stage, upon which were located the officers and invited guests of the order. The exercises were opened by a prayer from Rev. N. M'Gavock, G. M., who asked blessings upon the people that had gathered there, and also upon the order generally. After this prayer, Sir Wm. M Wilson, grand commander of Ohio, delivered an able and eloquent oration, in which he spoke of the order of Masonry, its antiquity, character, and long but continued usefulness. His oration was one of merit, and appropriate to the occasion. This speaker was followed by Sir J. H. Swears, grand prelate of Ohio, who also made an address of a suitable and pleasing character. His address was listened to attentively, and elicited general

praise. THE INSTALLATION OF OFFICERS of the commandery and grand lodge, last night, was witnessed by a large crowd, which was both orderly and respectful in its bearing. Upon the conclusion of these ceremonies, the Sir Knights of Mount Moriah commandery engaged in a grand drill, going through the evolutions nicely and smoothly. This being Sturia's Saloon and Restaurant, Nos. ended, the people engaged in amusements of different kinds, the evening passing away

with pleasure to all the participants, and creditably to Mount Moriah commandery. The entire affair was such as to command the respect of all, and to elicit words of com-

nendation from the distinguished member and visitors from abroad. THE CHICKASAW GUARDS.

Dress-Parade Yesterday Afternoon-Appearance of the Memphis Favorites-They are in Good Trim and Confident of Victory at Huntsville.

GENTLEMEN OF THE BOARD OF EDUCA-Yesterday afternoon the Chickasaw Guards made their appearance in full uniform, and afforded the citizens the pleasure of a dressparade upon the bluff, to which place they marched from their armory on Adams street, where the company has been in camp for almost a week. The evident improvement and proficiency of the Chickasaws since their last dress-parade were causes of congratula tion among their many friends who witnessed the parade. The drill and manual were gon through with in a veteran-like style by Chicks, and we may expect to hear a favorareport of their contest with the Porter Rifles at Huntsville next Friday. A great deal of interest centers upon this competitive drill, which is to determine the merits of these two military companies. Expectation runs high, and many predictions are being made as to the result of this contest. Let the Chickasaws do their duty, and do it well, and then there will be no cause to regret that they went to Huntsville, where they appear before thousands of people who will watch them with critical interest.
